CAPTAIN CANOT.

AUTHOR OF THE GREAT BOOK JUST BE-
ING PUBLISHED, SPEAKS OF HAMPTON'S
TINCTURE.

BALTIMORE, Md., June 4, 1864.
Mr. Stockbridge, of the Pottam, Md., Light street.

Dear Sir: Being on the point of leaving the city,
I feel myself of a few lines to thank you for
the medicine you sent me, and which has
restored me to the use of my limbs. I beg you to
send me four bottles more, to carry on my voyage.
Since I had the fortune to use Dr. Hampton's Vege-
table Tincture my confidence is so strong that, in
gratitude to the proprietor of said medicine, I beg
you to present my respects to him, and induce
him to make it more publicly known as a sure
rheumatic cure. Having called on me on the 19th
of April last, and seen me prostrated on my bed,
and in all my afflictions, you can appreciate nearly
as well as myself the prompt relief I received from
Dr. Hampton's Tincture, and I am positive that it
will not be for your strong and forcible recom-
mendations I should still have been in bed.

It is really a pity this most powerful and
proved by medical men, and like all patent drugs
should suffer the imputation the public generally
give to preparations. I myself, who was at
times opposed to a patented specific, took this me-
dicine with confidence, and without any apparent
doubt it was only through your disinterested
recommendations, and my critical situation that
induced me to try this really beneficial Vegetable
Tincture.

You may inform Messrs. Mortimer & Mowbray
that they are at liberty to make use of my name in
the support of the good effects of Dr. Hampton's
Vegetable Tincture, as it has cured me in five weeks
of a chronic inflammatory Rheumatism, contracted
while in Louisiana, and of several years' periodical
agitation. I have only used three bottles, and find
that even the deformed parts of my hands are fast
returning to their former natural appearance.

I have been under the treatment of several phy-
sicians in Louisiana and France, without any ap-
parent benefit; also, while in New York, having tried
the Thompsonian and Homoeopathic remedies, after
having been tormented with galvanic batteries, cold
baths, and hundreds of internal and external
applications, and all without any apparent benefit.

A REMEDY FOR "EACH DISEASE."

At the request of many of my patients, I have
consented to put up a class of my most ef-
fectual prescriptions in the form of a FAMILY MED-
ICINE, each one suited to a particular disease, and
not like the manufacture of the modern patent
preparations of the day, promulgated to the world
that any one compound will cure all diseases, and
who, in the words of the great Italian physician, Spal-
lacini, "gives medicines which they know little, into
bottles which they know less."
